SHARIA COMPLIANCE CERTIFICATE FOR MOBILISTAN MUSAWAMAH-BASED DEFERRED SALE MODEL

In the Name of Allah, the Most Beneficent, the Most Merciful

INTRODUCTION

Mobilistan (Private) Limited has appointed Al Hijrah Consultancy Services to provide Sharia advisory and review services in relation to its Musawamah-based deferred sale model for mobile devices and other approved products. The model is structured as a genuine sale arrangement under which Mobilistan first purchases a specifically identified product, assumes ownership and risk, obtains actual or constructive possession, and thereafter sells the product to the customer at an agreed fixed deferred sale price.

SHARIA REVIEW

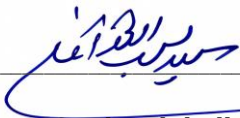

In our capacity as Sharia Advisor, we have reviewed the Sharia structure and the material documentation presented to us for the Musawamah model, including the procurement and partner-shop arrangements, device purchase documentation, transaction model and operational protocol, and the related Sharia compliance controls.

CERTIFICATION

Based on the Sharia review conducted, we hereby certify that the Mobilistan Musawamah-based deferred sale model is Sharia-compliant, subject to its implementation in accordance with the approved structure, documentation and Sharia requirements.

VALIDITY: This Certificate is valid for one (1) year from 16 September 2026 to 16 September 2027, subject to continued Sharia compliance and review. Any material change in the approved structure, documentation or transaction process shall be submitted for prior Sharia review.
